

March 2, 2020

Dear Contractors:

Please be advised that as a result of a State Plumbing Board ruling, the city of Thornton will no longer allow mechanical contractors to install water heaters or apply for permits to install water heaters starting March 16, 2020.

Contractors holding a valid plumbing/mechanical combination license will not be effected by this change.

Thank you for your attention to this change in policy.

PLEASE DO NOT REPLY TO THIS EMAIL. If you have questions or concerns, email us at [buildings@thorntonco.gov](mailto:buildings@thorntonco.gov).
