

Townhome or Duplex Shell Building

Portal Entry for a Residential New / Shell Building Permit

A permit is not automatically issued. After you submit the application we will review for approval, once approved you will be able to make a payment. After payment is made, we will process and issue the permit. You can check the status of your permit application by returning to the portal.

- **Sign In** to your portal account at <https://cityviewportal.thorntonco.gov/>
- Click on **Apply for a Building Permit** under Building Department on the top left of the portal home.
****DO NOT APPLY FOR THE SHELL UNTIL THE MASTER PLAN HAS BEEN APPROVED****

INSTRUCTIONS CONTINUE ON THE NEXT PAGE

Step 3 Location of Work Being Done

1. Search for an Address: **Start typing the street address for the first townhome or duplex unit, then select it from the drop down.**
2. **Click the Add Another Location button and repeat the process above to enter all of the unit addresses.**
3. Click on **Next Step**

Step 4 Contacts

1. The Applicant name will auto populate using your registration information.
2. The Property Owner(s) will auto populate. If there is a discrepancy you may proceed but remember to notify the Building Inspection Division if the information needs to be updated.
3. If a contractor is doing the work, click the Add Business/Contact From Address Book hyperlink.
 - a. Select "Building Contractor" as the contact type for the General Contractor.
 - b. Search for and select the contractor's business name from the address book.
 - c. Click "Add This Contact"
4. Repeat the process above to add the Electrical, Mechanical and Plumbing Contractors.
NOTE: If you are applying as a contractor, you still need to add your company as a contractor even if you are already listed as the Applicant. Make sure to select the contractor name with the ~ at the end of the name.
5. Click on **Next Step**

Step 5 Upload Files

1. Under the **Construction Plans** file type, **click the Browse button, find and double click to select and upload your plan(s).**
 - a. *Remember to rename your files before uploading as: Plot Plan, Elevations, Soils Report
2. Click on **Next Step**
3. An **Uploads Complete** reminder box will pop up, click **OK**.

Step 6 Review and Submit

1. Review your application. If you need to make any corrections click on the "Previous Step" button at the bottom of the page.
2. Read and sign the application using the "Do you agree?" drop down box. Select **Yes**.
3. Click on **Submit Application**.

This completes the submittal process.
